Announcement of the logistics of seminars.

*The three panel discussions will be held to collect the points of view of relevant stakeholders on the nine core subjects of the evaluation and review of the Data Retention Directive.*

*Each panel will consist of a moderator and four panellists representing different stakeholders, i.e. the European Parliament/civil society; law enforcement authorities; economic operators; and data protection authorities.*

*For details about these subjects, please see the discussion paper in annex.*

*The panel discussions will be facilitated by a moderator. A speaker will present his/her point of view (10'), three discussants will give feedback (5'), after which the floor will be open for questions and comments from the audience and discussions with the panellists. Each panel will meet three times: in the morning from 11:20-12:40 and in the afternoon between 14:00 – 16:00 (including a coffee break). The first session will discuss the first topic, the afternoon sessions the two remaining ones.*

*The moderator will report the points of view at the plenary session between 16:05-16:30. The conference chair will facilitate a general discussion on the presentations of the panels and wrap up the discussions by drawing some general conclusions.*
