Manifestation "Freedom not fear" on 17 September 2011 - cooperation

Dear sirs and madams,

thanks for inviting me to Brussels. It's quite a very far way for me to undertake but I understand your wish to have an eye-to-eye talk, in order to discuss some things that need to be discussed. Therefore I like to adopt your proposal for a meeting on 31 August 2011.

Because I like to have a friend with me who will be probably not able to miss her job, we should have our meeting from 1 am to 2 am at her lunch hour.

Beforehand I like to ask you to give me informations about the belgian directives and laws ruling open air demonstrations and manifestations in time, because I like to be prepared at our meeting.

Please give me complete textes or links heading to those rules concerning our planned demonstration. If german or english translations are available, it would be good as I am not used to speak french or dutch.

I am sorry that I do not own a fax machine, therefore you can't give me that informations via fax. But e-mail or a postal letter will work as well.

Once again I like to ask you furthermore, if there is anything more to do to have our demonstration on 17 September 2011 in Brussels.

For any help and any advice I would be happy.

Looking forward having a good and constructive collaboration and cooperation,

kind regards,

Michael Ebeling
