

Your personal guide & basic information

Welcome to Freedom Not Fear 2012. The idea of FNF is to arrange time and space to meet and to exchange minds and experiences within various groups, NGO's and people on topics such as privacy and data protection, civil and human rights in the digital environment.

The **Plenary** is new at Freedom Not Fear. During the starting plenary on Saturday morning (10:00-11:00) everyone is invited to propose a workshop or a talk, we still have a limited number of rooms available. The final timetable for the weekend will then be set. Please make sure to participate in order to get up-to-date information on the organisational details of the weekend, possible changes in schedule, to get to know everyone and share the experience. The final timetable of FNF12 will be set with the starting plenary Saturday morning.

We will provide some **snacks** and non-alcoholic **drinks** in the cafeteria. Use the near locations outside to eat and drink, if you like. But **on Saturday lunch time we are providing some Belgian surprise sandwiches** for everyone. Take part and taste it!

Sunday is „Brussels mobility day“ - from 9am to 7pm no car or motorbike may be used in Brussels at all – but public transport is for free!

Take care of each other and please respect other opinions. Feel free, open up your minds use our time and space of meeting people from other countries.

Enjoy! :)

We are happy to get biggest support from **Mundo B house** and may be guests here again – thanks!

Please take care of anything in the house, because we like to come back.

Help to keep everything clean and fine.

Smoking within the house is not allowed.
