Hannover, 2 September 2011

Manifestation "Freedom not fear" on 17 September 2011 – outcome of cooperation meeting 31 Aug 2011

Dear Mr. Amrani,
dear Mr. Gerseau,
dear sirs and madams,

thanks for having those cooperation meetings on 31 August 2011.

I like to sum the most important agreements of those discussions:

- First route from Place Luxembourg to Place Schumann will be escorted by police, we will be allowed to use parts of the street to walk on, we are allowed to use a car with loudspeakers, microphone having speeches, addresses and some music
- Second route from Place Schumann to Chapel Madeleine is different: people doing this walk has to behave as "normal citizens", obeying traffic and traffic lights, no blocking of traffic. But holding signs and banners and give away hand-out-flyers with informations about our topics would be allowed nevertheless. Car with loudspeakers is not allowed to join this way but has to take the way driving as one of many cars in daily traffic.
- Third point of manifestation is the sharp triangle like place in front of Chapel Madeleine near Place Grasmart. We are allowed to use the loudspeaker car there again.
- Time schedule: Gathering together at Place Luxembourg from 13h30, starting holding speeches etc. at 14h00, leaving ca. 14h30, arriving at Place Schumann ca. 15h00, leaving Place Schumann ca. 15h30, starting manifestation at Chapel Madeleine ca. 16h30 and ending about at ca. 18h00.
- For every 50 participants of the manifestation I care for one marshal/assistant to take care.
- The route is been shown at the attached map.
- I will give Mayor of Brussels and Mayor of Ixelles a letter to announce our agreements of this manifestation.
- I expect your confirmation, please as soon as it is possible to you.

Having the "big meeting" on 31 August 2011 we met with altogether 10 people, which I was not introduced to. Please send me a copy of that registration form, where I had to register, too. That would help me to solve the problem.

Thanks for all and kind regards,

Michael Ebeling
